June 5-7, 2017 (*Registration deadline: April 28, 2017*)

September 20-22, 2017 (*Registration deadline: July 28, 2017*)

\*Registration for each session will open once the deadline date for the previous session has passed

### This is a computer-based exam administered by APEGA

The benefits to a computer-based exam for applicants include:

- more time to write the exam (2.5 hours)
- multiple test center locations across Canada
- more timeslots available
- faster exam results processing

[Yardstick](#), a leader in online testing and training, was chosen based on its excellent reputation in providing computer-based testing services to clients around the world, including large-sized associations such as the International Air Transport Association and the Insurance Institute of Canada.

The computer-based NPPE is a two-and-a-half-hour, 110-question, multiple choice exam that covers professionalism, law and ethics.
